

REMARKS

The above changes to the claims have been made to delete multiple-dependency, and new claim 11 has been added.

No new matter has been added.

It is noted that the claim amendments herein are made only for more particularly pointing out the invention for the Examiner, and not for distinguishing the invention over the prior art, narrowing the claims, or for any statutory requirements of patentability.

Further, it is noted that, notwithstanding any claim amendments made herein, Applicant's intent is to encompass equivalents of all claim elements, even if amended herein or later during prosecution.

Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-0481.

Respectfully submitted,
